**AWARDS**

Excellence in Achievement, Tilt-Up Concrete Association

- New sanctuary with arched ceilings, stained glass, a stunning oak floor, and full MEP and sound systems. The design-build project also included a renovation to the existing sanctuary and office space.
- Utilized a unique concrete tilt panel construction to meet the church's desired look that also provided a cost effective solution for a compressed construction schedule.
- Mashburn coordinated with the church's selected audio consultant to ensure proper installation of the sound system.
- Project was completed ahead of schedule and under budget
