Award, SC Historic Preservation

- Historic renovation and upfit on Columbia's Main Street for an upscale café and catering venue (part of the 43,000 SF historic renovation of three buildings for Agape Main Street).
- Numerous historic features were preserved, restored and/or reused, including:
 - Original steel windows
 - Hardwood floors
 - Tin ceilings and cornice
 - Plaster finishes

- Minimized disruption to existing retail on both sides of tight downtown site project.
- Additional windows that had once been blocked-in were also uncovered and restored.
