COMPLETION DATE

February 2009

SIZE

6,400 SF

- Historic retrofit of restaurant that was catastrophically damaged by fire.
- Renovation work was approximately 1,500 SF with addition of a new second floor (approximately 4,900 SF). Second floor oversees first floor through opening that is surrounded by stainless steel railing.
- Outdoor dining overlooks downtown Conway, SC and a private dining room was created for parties.
- The renovation work more than doubled the original capacity of the restaurant. Skylights were added to increase the amount of natural light.
